

Top 10 Tips for starting a business:

1 - Be open to all opportunities. *You never know which one may open a fruitful door*

2 - Think about the contacts you already have.
Who may be able to help you get to where you want to be? *Talk to them, share what you want to achieve.*

3 - Expand your contacts. *Attend networking groups and join the one you feel best suits your business.*

4 - Be confident in your marketing material; i.e. website, business cards etc. *What does this say about you?*

5 - Be an expert in what you do. Be confident. Believe in yourself.
Confidence is a learned skill, so learn it.

6 - Set yourself realistic and achievable goals. Visualise the end result.
What steps do you need to take in order to get you there? Write them down.

7 - If something isn't working. *Adapt it slightly, make a change – do something differently.*

8 - Your customer is at the forefront of your business. *Make it as easy as possible for them to do business with you.*

9 - Talk to people. *Phone them. People still like to talk.*

10 - Take Action! *It's all too easy to talk about what you're going to do, so start doing!*

Take a positive step and make that change!
